Dear Joanne:

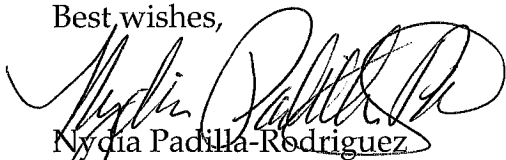

On behalf of the Rochester City School District, we thank you for your donation of supplies to help support our district students. The RCSD collaborated with WDKX and other partners to help support the "Back to School" campaign this year.

Our schools are comprised of students with diverse learning needs and backgrounds with the aspiration to be successful. In many cases, our students also face challenges and circumstances that need the support from the community. Your willingness to donate supplies towards our "Back to School" campaign allowed for the great success of distributing over 1000 backpacks and school supplies on August 25, 2012 at the Ridge Plaza. The various supplies that you donated were at a value of \$400.00.

It is because of people like you who care enough to make a difference in our community. We appreciate your generous contribution of supplies and extend our sincere thanks.

Once again, thank you for your generous support and for "giving back" to those in need within the RCSD.

Best wishes,

Nydia Padilla-Rodriguez  
Director of Strategic Community Partnerships
